The Clones-

- H.h. 'Abundance' - typical small ivy, fast growing.
- H.h. 'Anchor' - extremely narrow leaves, large in age.
- H.h. 'Bulgaria' - dark green leaves, chunky, hardy everywhere.
- H.h. 'Buttercup' - tiny three lobed leaves, pure gold in youth, British.
- H.h. 'Cathedral Wall' - light green, sharply pointed leaves.
- H.h. 'Chimneysweep' - small pear-shaped leaves, different.
- H.h. 'Chrysana' - various shaped leaves, washed with gold.
- H.h. 'Crenata' - five lobed, wavy, with teeth, novelty.
- H.h. 'Curley Locks' - nearly round leaves, frilled and crested.
- H.h. 'Deltoides' - Small heart-shaped leaves.
- H.h. 'Denticulata' - squarish leaves, fast grower.
- H.h. 'Emerald Gem' - small thick, dark green leaves, never mopes.
- H.h. 'Fan' - broad wavy leaves, hence the name.
- H.h. 'Fanette' - small wavy leaves.
- H.h. 'Ferney' - sharply pointed, deeply cut, grows a new strand at each leaf.
- H.h. 'Fleur' - gracefully curved pale green, a conversation piece.
- H.h. 'Fleur de Lis' - three lobes joined at base. Unique.
- H.h. 'Foursquare' - thick dark green, almost square, good pole plant.
- H.h. 'Garland' - thick growing, plaited, shinning, dark green, nice.
- H.h. 'Gladiator' - shield-shaped, distinctive, pole plant.
- H.h. 'Gold Dust' - best golden variegated ivy; beautiful in front of greenery.
- H.h. 'Good's Self-branching' - Thickly set leaves, many new branches.
- H.h. 'Green Ripples' - deeply cut, twisting more beautiful with age.
- H.h. 'Green Spear' - long narrow leaves, un-ivy in appearance. Most unusual.
- H.h. 'Irish Lace' - very narrow, small leaves.
- H.h. 'Mandar's Crested' - curled, wavy, bright green, unusual.
- H.h. 'Minima' - a tiny true ivy in deepest green.
- H.h. 'My Bunch' - non-running, erect, bushy.
- H. canariensis, var. Azoricus. 'Old Garden' - Apple green leaves, broader than long.
- H. h. 'Palmata' - leaves like Palmetto fans. Different.
- H.b. 'Pedata' - called Birds foot, for its small skeletonized leaves.
- H.h. 'Pin Oak' - another different one, all lobes pointing downward.
- H.h. 'Poetica' - classic ivy, five lobed, yellow berries in age.
- H.h. 'Ray's Supreme' - deeply cut graceful, five points.
- H.h. 'Ripples' - curling twisting leaves.
- H.h. 'Roehr's Minor' - another tiny one, graceful, appealing.
- H.h. 'Rumania' - a hardy one, smaller than Bulgaria.
- H.h. 'Star' - its fortune is in its leaves, little stars stand out in clear culture.
- H.h. 'suctifolia var. minor 'Sweetheart' tiny hearts on a string, shinning green.
- H.h. 'Telecurl' - three cornered leaves make the plant look frilled.
- H.h. 'Walthamensis' - tiny white veined, a darling for pots.
- H.h. 'Weber's California' - wavy roundish leaves.

If there is some other ivy you wish send us your want list as we stock over a hundred different ones.

TO ROOT IVY CUTTINGS
